

PIG Barrel Top Mat

MAT208

Heavyweight, For 210-Litre Steel Drum, 25 pads per box

Circular-shaped PIG Mat is pre-cut for a perfect fit on drum tops! Keep messy pump drips in check for clean, safe dispensing areas.

- Soak up pump drips without cluttering up your work space with dirty rags!
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout the mat for faster, easier clean-up
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime, so the mat stays on the job longer
- Fits 210-litre steel drum tops; pre-cut with holes for 3/4" and 2" bungs to provide a perfect fit
- Heavyweight construction is highly durable and absorbent to handle pump drips and dispensing spills
- Dispenser box makes it easy to take, carry and store your mat while protecting it from dirt and moisture
