

PIG PEAT Absorbent

PLP404

For Oil-Based Liquids But Not Water, Absorbs up to 30 L per bag, 1 Bag

All-natural peat moss absorbent pulls in oil-based liquids but not water. Works indoors or out, even removes the oily sheen!

- Super-absorbent, non-leaching activated sphagnum peat moss absorbs up to 30 litres of oil per bag
- Just throw on a spill and sweep it up; even removes the oily sheen from your floor
- Absorbs oil-based liquids but not water; incinerable to help reduce waste
- Non-abrasive composition will not harm floors or expensive machinery
- Silica-free composition does not pose the health hazards associated with breathing in clay dust
- Lightweight absorbent is easier than clay to carry and use without injury
- Not recommended for oil spills on water or for use with corrosive liquids
