

PIG Universal Mat

MAT204

Lightweight, 38 cm x 51 cm, 200 pads per bag

PIG Mat lasts 2X longer than ordinary mats for fewer change-outs. It absorbs oils, coolants, solvents and water; just about any mess you need to clean up!

- Lasts 2X longer than ordinary mats for fewer change-outs; that's why more workplaces worldwide use PIG Mat than any other brand
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout the mat for faster, easier clean-up
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime, so the mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Lightweight construction is ideal for small tasks and clean-ups

Specifications

Absorbency Per Selling Unit	Up to 83.6 L per bag
Colour	Grey
Composition	100% Polypropylene
Fluids Absorbed	Oils, Coolants, Solvents & Water
Length	51 cm
Mat Weight	Lightweight
Packaging	Bag
Perforated	Perforated down centre Widthwise
Poly Backing	No
Recycled Material	25% or more Recycled Content

UV Resistant	No
Width	38 cm
Weight	7.71 kg
Sold as	200 Pads per Bag
