

PIG Oil-Only Mat

MAT423

Lightweight, 38 cm x 51 cm, 200 pads per bag

Our most cost-effective mat when you only need to absorb oil. Loves oil. Hates water. Saves money.

- Our most cost-effective mat when you only need to absorb oil-based liquids
- Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout the mat for faster, easier clean-up
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Bright white colour makes absorbed oil easier to see; draws attention to machine leaks and clearly shows saturation level during spill response
- Floats to clean up spills on water
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat while on the job
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Lightweight construction is economical for small tasks and clean-ups

Specifications

Absorbency Per Selling Unit	Up to 83.6 L per bag
Colour	White
Composition	100% Polypropylene
Fluids Absorbed	Oil-Based Liquids But Not Water
Length	51 cm
Mat Weight	Lightweight
Packaging	Bag
Perforated	Perforated down centre Widthwise
Poly Backing	No

UV Resistant	No
Width	38 cm
Weight	7.71 kg
Sold as	200 Pads per Bag
