

PIG Essentials Plus Universal Mat Pads

MPBL200

Lightweight, 38 cm x 48 cm, 200 pads per bag

Universal Mat controls spills and overspray to help keep floors dry and safe.

- Random assembly of large-diameter meltblown poly fibres creates a lofty layer
- Mat absorbs high volumes of liquid fast; great for catching overspray or soaking up spills
- Ultrasonic bond points fuse layers of fibres together — mat keeps its shape even when completely saturated
- Top layer of lint-free spunbond fabric provides extra strength; "dimples" add fast-wicking power
- Grey colour signifies Universal absorbency for easy visual identification
- Lightweight construction is ideal for small tasks and clean-ups
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need, so you use less mat and save money
