

PIG Essentials Universal Mat Pads

MPL200

Lightweight, 38 cm x 46 cm, 100 pads per bag

Universal Mat controls spills and overspray to help keep floors dry and safe.

- Sturdy and soft but has a higher loft than standard mats for greater economy without compromising absorbency
- Large-diameter fibres start wicking on contact to save time in critical situations, helping prevent environmental damage and potential slip hazards
- Provides quick, efficient clean up; just soak up the spill, then throw the mat away to get back to work faster
- Loose-stacked weave design maximises absorbency; use less Mat to reduce waste and save on disposal costs
- Ultrasonic bond points fuse layers of fibres together — mat keeps its shape even when completely saturated
- Grey colour signifies Universal absorbency for easy visual identification
- Lightweight construction is ideal for small tasks and clean-ups
- Pads are great for catching overspray or soaking up spills
- Easy-tear perforations let you take only what you need, so you use less mat and save money

Specifications

Absorbency Per Selling Unit	Up to 83.3 L per bag
Colour	Grey
Composition	100% Polypropylene
Fluids Absorbed	Oils, Coolants, Solvents & Water
Length	46 cm
Mat Weight	Lightweight
Packaging	Bag
Perforated	Perforated down centre Lengthwise
Poly Backing	No
UV Resistant	No
Width	38 cm
Weight	4.21 kg
Sold as	100 Pads per Bag
