

# PIG TRAFFIC MAT Rug

## MAT218

Mediumweight, 91 cm x 91 m, 1 roll per bag

Keep floors dry, even in areas with forklift traffic. Our toughest rug is heat fused and needle punched for extreme durability.

- 100% polypropylene material is heat fused and needle punched for incredible durability for walk-on and wheeled traffic
- Our most durable mat won't rip, shred or fray, even under heavy forklift traffic!
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime, so the mat stays on the job longer
- Rolls are ideal for walkways and large areas to soak up leaks and overspray
- Cuts easily with scissors or utility knife
- Can be incinerated after use to reduce waste or for fuels blending
