

PIG Elephant Mat

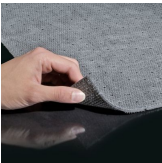

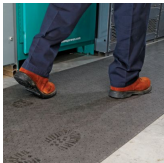

MAT234

Mediumweight, 84 cm x 46 m, 1 roll per bag

For jobs with "tons" of foot traffic, you need the extra durability of PIG Elephant Mat. Zigzag stitching adds high walk-on strength.

- Highly absorbent layered PIG Mat is zigzag stitched to offer excellent walk-on durability
- Designed specifically for heavy foot traffic or moderate to light wheeled traffic; put the zigzag side up to extend product life
- Exclusive dimple pattern speeds wicking of liquid throughout the mat for faster, easier clean-up
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime, so the mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for walkways and large areas to soak up leaks and overspray

Specifications

Absorbency Per Selling Unit	Up to 87 L per bag
Colour	Grey
Composition	95% Polypropylene Mat; 5% Polyester Stitching
Fluids Absorbed	Oils, Coolants, Solvents & Water
Length	46 m
Mat Weight	Mediumweight
Packaging	Bag
Perforated	Not Perforated
Poly Backing	No
Recycled Material	25% or more Recycled Content
UV Resistant	No
Width	84 cm

Weight	12.7 kg
Sold as	1 Roll per Bag
