

# PIG Rip-&-Fit Universal Mat

## MAT242

Heavyweight, 38 cm x 18 m, 1 roll per dispenser

Extra perforations let you create custom sizes of PIG Mat without cutting. Just "rip" it along the easy-tear perfs and "fit" it into place.

- Extra perforations in our Rip-&-Fit Mat allow you to easily "rip" this PIG Mat and "fit" it to your application without cutting
- No matter how you rip it, this mat features the proven layered, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Exclusive dimple pattern speeds wicking of liquid throughout the mat for faster, easier clean-up
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime, so the mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat while on the job
- Dispenser box makes it easy to take, carry and store your mat while protecting it from dirt and moisture
- Perforated every 9.5cm across width and every 25cm across length
- Heavyweight construction delivers greater durability and absorbency for demanding tasks and large-volume clean-ups

## Specifications
