

PIG Poly-Back Elephant Mat

MAT270

Mediumweight, 79 cm x 30 m, 1 roll per bag

For jobs with "tons" of foot traffic, you need the extra durability of PIG Elephant Mat. Zigzag stitching adds high walk-on strength.

- Highly absorbent layered PIG Mat is zigzag stitched to offer excellent walk-on durability
- Designed specifically for heavy foot traffic or moderate to light wheeled traffic; put the zigzag side up to extend product life
- Exclusive dimple pattern speeds wicking of liquid throughout the mat for faster, easier clean-up
- Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime, so the mat stays on the job longer
- Flame-resistant material won't burn immediately like untreated cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Poly backing prevents absorbed liquids from reaching floors
- Rolls are ideal for walkways and large areas to soak up leaks and overspray
