

PIG Pillows

PIL204

25 cm x 25 cm x 5 cm, Absorbs up to 76 L per box, 40 pillows per box

Add extra absorbency to your spill clean up efforts with high-capacity PIG Pillows. Also great for steady leaks and drips.

- Pillow has large surface area, high capacity and fast-wicking filler to quickly soak up liquids
- Polypropylene skin resists tearing; reduces dust and holds in liquid, even when saturated
- Cellulose filler is highly absorbent for long-term use or big spill clean-up
- Compact design is great for catching persistent drips and leaks in small spaces or adding absorbency for spill response
- Absorbs and retains oils, coolants, solvents and water; not recommended for acids, caustics or other corrosive liquids
- Recycled content is ideal when green products are desired or required
- Can be incinerated after use to reduce waste or for fuels blending

Specifications

Absorbency Per Selling Unit	Up to 76 L per box
Colour	Grey
Composition	Skin - Polypropylene; Filler - Cellulose Fibres
Fluids Absorbed	Oils, Coolants, Solvents & Water
Height	5 cm
Length	25 cm
