

# PIG Oil-Only Absorbent Socks

## SKM210

8 cm x 122 cm, Absorbs up to 45.6 L per box, 12 socks per box

Get more absorbency for your money without worrying about too much sun or rain. The best outdoor socks you can buy are UV-resistant up to one year.

- Outlasts other outdoor socks with the most UV resistant construction you can buy. Period.
- Mouldable socks hug corners and surround machine bases to absorb machine leaks, contain puddles and help keep workers safe
- Contain and absorb oil-based spills - in a variety of environments - with hydrophobic cellulose filler
- Polypropylene skin resists tearing; reduces dust and holds in liquid, even when saturated
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without absorbing a drop of water
- Ideal for use on land, but also floats to clean up oil-based liquids on water
- Attached string conveniently allows socks to be tied down, tied together or dipped in non-corrosive wash baths
- Spunbond polypropylene skin is UV resistant for up to 12 months; meets ANSI and MIL-spec standards for static decay
- Recycled content is ideal when green products are desired or required
- NOTE: Not recommended for use with acids, caustics or other corrosives

## Specifications

Absorbency Per Selling Unit	Up to 45.6 L per box
Certification	ANSI/ESD STM11.11, MIL-STD-3010C
Colour	White
Composition	Skin - Polypropylene; Filler - Hydrophobic Cellulose
Exterior Diameter	8 cm
Fluids Absorbed	Oil-Based Liquids But Not Water
Length	122 cm
