

PIG Sump Skimmer

SKM403

20 cm x 46 cm, Absorbs up to 81.6 L per box, 12 socks per box

Keep sumps, tanks and bilges oil-free with easy-to-retrieve PIG Sump Skimmers in a range of diameters to suit your task.

- Lower this floating skimmer into any water-based liquid to absorb oils without taking in water
- Ideal for soaking up unwanted oil-based fluids that collect in sumps, tanks and bilges
- Polypropylene loop can be attached to rope (not included) for easy deployment and retrieval
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Bright white colour makes absorbed oil easier to see and clearly shows saturation level
- Can be incinerated after use to reduce waste or for fuels blending
- Spaghetti strip filler design captures thick oils or other viscous liquids
- Tough outer mesh is UV resistant for long-term outdoor use without degradation; lets fluids easily pass through to filler material

Specifications

Absorbency Per Selling Unit	Up to 81.6 L per box
Colour	White
Composition	Mesh & Filler - Polypropylene
Exterior Diameter	20 cm
Fluids Absorbed	Oil-Based Liquids But Not Water
