

PIG Grippy Adhesive-Backed Absorbent Mat

MAT1625

41 cm x 7.6 m, Absorbs up to 5 L per roll

Our exclusive, adhesive-backed mat stays put to prevent slips, trips and falls around workstations and walkways near machinery in industrial workplaces.

- Adhesive-backed absorbent mat stays exactly where you put it with no shifting, bunching up or flipping over to prevent slips, trips and falls in workstations and around machinery
- Proprietary adhesive sticks to the floor with a super-tight grip, but peels up easily for quick changeouts; reduces clean-up time to make your workplace more productive
- PIG Grippy Mat will stick to most common commercial floor surfaces, including: concrete, vinyl tile, ceramic tile, quarry tile and linoleum
- Tough, spunbond top layer with heavy-duty zigzag stitching stands up to foot and light-wheeled traffic as well as heavy equipment drive overs; keep mat in service until it's saturated or shows signs of wear
- Layers of fine-fibre polypropylene safely absorb leaks, drips and overspray of oils, coolants, solvents and water
- Traps oil, grease and grime to keep them from being tracked around; ideal for oily areas near machines and equipment
- 41cm width is perfect for lining workbenches, countertops and toolboxes
- Leakproof backing prevents absorbed liquid from soaking through to the floor
- Dark colour hides grime, so the mat looks cleaner for longer
- Easy to cut and install: roll it out, stick it down and smooth it out
- Tested and Certified by the National Floor Safety Institute (NFSI): when used as part of your floor safety programme, high-traction surfaces such as PIG Grippy Adhesive-Backed Absorbent Mat is proven to reduce slip-and-fall claims by as much as 90%

Specifications

Absorbency Per Selling Unit	Up to 5 L per roll
Certification	NSFI Certified, ANSI B101.1- 2009
Colour	Blue
Composition	Absorbent - Polypropylene; Stitching - Polyester; Adhesive Backing - Proprietary Adhesive Material
Fluids Absorbed	Oils, Coolants, Solvents & Water
Length	7.6 m
Mat Weight	Mediumweight

Packaging	Bag
Perforated	Not Perforated
Poly Backing	Poly-Backed
Recycled Material	25% or more Recycled Content
Storage Temperature	Store between 0°C(32°F) - 49°C(120°F)
Temperature Limit	Surface temperatures from 13°C - 49°C
UV Resistant	Not UV Resistant
Width	41 cm
Weight	1.8 kg
Sold as	1 Roll
