

PIG Meltblown Polypropylene Wipes

WIP1800

1/4-Fold, 30 cm x 30 cm, 600 wipes per case

These polypropylene wipes are chemically compatible with ammonium cleaners to help you sanitise surfaces. Also ideal for printing wipe downs and pre-assembly parts cleaning.

- Chemically compatible with many cleaners, disinfectants, and quaternary ammonium sanitisers
- Wipes are 1/4 folded and poly-wrapped for easy handling and loading
- Ideal for wiping down surfaces such as handrails, door handles, tabletops, chairs, counters, taps and other high-touch surfaces
- Use for wiping down printing equipment and cleaning machine and engine parts before assembly
- Great for many general-purpose cleaning and maintenance jobs
- Excellent resistance to harsh solvents, acids, caustics and other corrosive chemicals
- Soft, durable wipers won't scratch surfaces, but clean rough areas without shredding

Specifications
